

## Beltane 2020

May 2, 2020

10am - 1:30pm Central time (UTC-6:00)

ONLINE at the [Circle Sanctuary Facebook Page](#)

*Coordinated by Rev. Sharon*

It is Beltane! The Earth warms under the sun's caress and the world is new and bright again! We emerge from the darkness of a long difficult winter; our eyes drink in the green hills, budding branches and tender shoots on Sacred Land as we breathe deeply the fresh fragrance of radiant blossoms. Dance the maypole! Feel the heartbeat of the drum! And mark sacred moments of connection as we gather to celebrate the high energy of this most fertile season of potential and possibility. Merriment calls and magick is afoot!

Morris Dancing is a type of folk dance from England that has survived for centuries. It's said that the dance is so ancient its origins have been lost in the mists of time and that this tradition has been greatly misunderstood. Learn why we celebrate and honor the Morris Dancers at Beltane!
